

Klein Oak Parent Teacher Organization

The PTO at Klein Oak holds a unique position as a booster club for the entire school. Klein Oak is the only high school in our district with a PTO. Our PTO's mission during the coming year is to provide funds/volunteers that will make a positive impact on the lives of all students. We strive to support programs that will impact as many students as possible. In order to accomplish this, the PTO works closely with faculty and staff to support class activities and student events such as dances, ticket sales for Prom and provide other assistance as needed. Your PTO also helps support the faculty and staff by fulfilling teacher wish list items to enable teachers to perform their jobs more efficiently and hosting teacher appreciation luncheons throughout the year.

All funds generated by membership dues are re-invested in the students of Klein Oak High School. Your membership is vital to the success of the Klein Oak PTO. Thank you for your support.

Special bonus – first 300 families to join PTO will receive a card for a free Chick-fil-A Chicken Sandwich

Please circle your Membership level:

<u>Membership Level</u>	<u>Rate</u>	<u>Benefits</u>
